RE: Docket No. 98P-0151/CP1

Dear Representatives,

PLEASE.. Please help - help to urge the Food and Drug Administration to grant petition 98P-0151/CP1 to prohibit the slaughter of downed animals.

Even larger than the incredible inhumanity to living creatures is the human health risk from contamination with diseases, bacterial and otherwise. By supporting docket 98P-0151/CP1 we can help stop two horrors at once.

Thank you for the energy you are taking to pass along my thoughts and to be my voice.

Sincerely,

Rosanne Kramnicz

Please put me on your mailing list for information regarding the above.
